GUIDELINES FOR INDIVIDUAL ACCESS PASS USE

The Individual Access Pass (“Pass”) is the property of the State of New York and must be returned upon our request. It is issued as a personal benefit, providing free or discounted facility use for the pass holder only.

If it is misused or if the pass holder is found not to meet the Access Pass qualifications, it will be revoked. Upon a suspected violation, the pass will be confiscated and all privileges suspended. Following a review, the pass may be permanently revoked and all future Access Pass privileges may be denied.

INDIVIDUAL ACCESS PASS REGULATIONS

1. The pass must be presented by the pass holder on each occasion the pass is applied toward a fee waiver. The pass holder will be required to sign an official record sheet and may also be required to present other photo and/or New York State residency identification and to verify their disability.
2. The pass holder must comply with all terms and conditions of use of New York State Park facilities.
3. The pass may not be used by any person except the person to whom it was issued, except when the payment of a single fee ordinarily includes other people (e.g. vehicle use charges for a carload of passengers, or rental of a campsite or a cabin which will accommodate several persons).
4. The pass may not be altered in any way.
5. The pass holder may not obtain a green fee ticket to sell to another person.

REISSUE OR MODIFICATION

A pass is acceptable until the expiration date shown on the pass. Reapplication is the responsibility of the pass holder and is required to replace an expired, lost or stolen pass or a pass rendered unusable for any other reason. Changes in Individual Access Pass regulations may affect eligibility for a new pass. Reapplication takes approximately 2-4 weeks. Temporary passes are not issued.

CAMPING AND CABIN RESERVATION/REGISTRATION POLICIES

All information found in the current “New York Camping Guide” applies to pass holders. The following additional procedures, along with all “Guidelines for Individual Access Pass Use” also apply:

1. A campsite or cabin for an Access Pass holder under the age of 18 (21 at some parks) must be rented in the name of the Pass holder. The permit must be signed by a site occupant 18 years of age or older (21 at some parks).
2. At the park, the Pass holder must present the valid Access Pass before and after the stay and may be required to present other identification for validation purposes. The Access Pass holder should verify that the Pass holder's name and ID number are indicated on the camping permit. If an Access Pass is used during the reservation process and is not presented at the park, full fees will remain and no refund will be initiated.
3. For cabins and campsites, the full fee, including amenities, must be paid along with the non-refundable reservation fee at the time of reservation. At the end of the camping stay, the Pass holder must apply for a refund at the registration point.
4. The non-refundable registration fee must be paid at the time of registration by a Pass holder without a reservation.
5. The Pass holder may not use the pass to reserve or rent a cabin or campsite that he or she does not occupy. The Pass holder must occupy the campsite or cabin during the entire permit period pursuant to general camping regulations
6. If a Pass holder leaves early, the "early-out" fees shall be assessed at the regular campsite/cabin rate for the nights not stayed. For the nights stayed, the Access Pass rate will apply for refund purposes. If a Pass holder cancels the reservation within 8 days of the scheduled arrival, the full value of one night's stay will be assessed along with the ordinary cancellation fee.
7. When renting a transient marina slip at the same time as renting a campsite or cabin in that facility, the transient marina slip is considered an amenity that is purchased at the facility and is not included as an Access Pass benefit. Rates may vary at individual facilities.
8. Any Pass holder evicted from the campground will not receive the discount.
